

## ARC Meeting 2/25/18

*Present: Kavya Shreedhar, Arushi Gupta, Allison Tang, Michael Yao, Andrew Zhou, Matthew Zeitlin, Alice Jin*

### 1. Deans Meeting Recap

- Deans' Meeting went well in general
- Deans and John Hall love to hear about core, especially from the freshmen's perspectives
- Ph1b analytical lost an entire problem set, but hasn't lost a set since (whoohoo!)

### 2. SFLs

- Some students got rejected twice, and some got accepted twice
- Instead of a lottery, we should consider how many times a student has gone to a SFLs
- 18/27 students have RSVPed
- Send invitations to students who haven't gone to a SFL

### 3. Research Seminar Series

- had a meeting with Jack, GSC Academics Chair
- need a low activation energy to get grad students to present their research
- propose a discussion-based, informal, round table setting with food
- will try to launch next term

### 4. Research List

- SURF deadline was Thursday
- email goes out to Provost Office tomorrow to update the research list

### 5. Millikan Study Sessions

- Expand millikan study sessions to CS2, where all office hours on Sundays (sets are due Tuesdays) and hold these sessions on Saturday nights
- for this term, we can do two sessions
- expand this to CS1 and other large classes (ex. CS155) to help TA office hour load
- after registration, talk to Christy and Kim from Registrar for enrollment numbers >150 and ask if students would like to have a study session

### 6. Course Compliments

- are we sticking to biweekly? yes
- response rate is slowing down -> send out another update?
- if we want to do this every week, we would adjust how many people we choose
- only 3 out of 5 people confirmed for the lunch
- Cindy Weinstein from the Provost office will send out an email to profs about this program

- if there are multiple compliments for a person, invite all the people who nominated them to the lunch

- send a template email to help students contact their nominated person, as well as offer to contact them for the lunch

- allow them to bring a guest?

- the lunch can be scheduled any time during the year (May 31st is the deadline)

## 7. **Discussion** Olive Walk Display Case

- got the key from ASCIT for the display case

- do we want pictures of the roster?

- arc programs?

- roster pictures are not helpful (sorry, ASCIT)

- QR code for the ARC website

- big ARC sign with ARC logo

- list of programs

- student guide to TQFRs

- post course compliments there, update biweekly

- photos of ARC programs (SFLs, ASCIT Teaching Awards, etc)

- also post these photos on the ARC website

- ARC tip of the week

- 3D print the ARC logo (<https://www.thingiverse.com/thing:416883>)

- have the seal be orange and the beach ball will blue because it's CCE and CCE is awesome

- print one per ARC rep and have the color represent their division

Sidenote: ARC tshirts

- ask Tom Mannion for budget

Sidenote: ARC iPic trip

- ask Tom Mannion, need a good reason (ARC transition)

## 8. **Discussion** Student Guide to TQFRs

- shift this to course concerns

## 9. ARC Tip of the Week

- poke Course Compliments!

- If you didn't get into a class you wanted to register for, email the prof to go on the waitlist and show up to the first day of class
