

ARC Meeting Minutes 2/4/18

Present: Kavya, Allison, Alex Reeves, Erika, Arushi, Vibha, Adrian, Matthew, Andrew, Michael

1. Course Concerns / TQFRs guide
 - No new course concerns
 - TQFRs guide: trying to improve the quality of TQFRs as well as clarifying the TQFRs to boost response rate
2. Blue Books + Midterms
 - ARC reps should get blue books
3. Option Fair (Erika, Vibha, Vaishnavi)
 - Friday, February 16th, 11:30am-1:30pm
4. SFLs (Matt, Michael)
 - supposed to do two SFLs this term
 - organize and contact profs
5. Course Compliments (Adrian, Allison, Michael)
 - send out the google form today!
 - gather non-anonymous/anonymous positive feedback about profs or TAs, who enter a draw for Prof/TA of the month and the people who nominated them get to take them out for lunch (funded by the ARC)
6. Research Programs (Erika)
 - Undergraduate ARC and graduate GSC collaborate to set up student seminar series
7. Core Connections CS141 Project
 - faculty are curious how students see connections from core to their upper-level classes
 - emulate MIT to see how core is doing, will be a project for CS141
8. Turnover + Plaques
 - as turnover happens, please give the next ARC reps your ARC plaques or turn them in to Kavya if you're leaving the ARC
 - ARC reps usually have add/drop cards
9. ARC Tip of the Week

View unit loads and enrollment figures by option/minor:
https://www.registrar.caltech.edu/documents/73-undergraduate_option_requirements_2017-18.pdf
10. CS2 Millikan Study Sessions are a go if we have find enough tutors!
